Dear Paul:

Harold asked me to acknowledge your note and enclosures, which he appreciates.

He also asked me to tell you he would like the Old CIA Material of approximately 60 pages which you listed as available. I will, of course, reimburse you for the postage which you stipulated.

As for his health: He was hmme overnight and returned to the hospital the following day for another stay. At the moment I don't know anything definite beyond that.

Sincerely,

Lillian Weisberg
